

Intrepid named to New Industry List of Notable Leadership Training Companies

(Seattle, Washington – March 3, 2010) Intrepid Learning Solutions, a leading provider of learning and performance solutions, has been selected by TrainingIndustry.com to the 2010 – Leadership Training Companies “Watch List”.

As part of its ongoing process to serve the needs of training leaders and professionals, TrainingIndustry.com has published its first segment “Watch List” around select innovative companies that are beginning to solidify their places in the leadership training marketplace.

More than 50 companies were evaluated for the 2010 list. Selection was based on the following criteria:

Commitment to Thought Leadership

New and Innovative Service Offerings

Quality of Initial Clients

Unique approach to Leadership Development Solutions

“Our Watch List of Leadership Training Companies include some of the most innovative and forward thinking companies in the space,” said Doug Harward, Chief Executive Officer of TrainingIndustry.com.

“Intrepid is delighted to be acknowledged for the success our clients are experiencing with our leadership training solutions,” Vikesh Mahendroo, President & CEO, Intrepid Learning Solutions.
