

LEADERSHIP & MANAGEMENT TRAINING

Executives and front-line managers have direct influence on employee productivity and morale, product quality and customer satisfaction. Your leaders have a lot riding on their shoulders. Intrepid's Leadership & Management Training Solution can help you equip them with the knowledge and skills they need to be effective.

WHAT YOU GET:

High-quality learning programming that supports the objectives of each phase of Intrepid's Leadership & Management Lifecycle Training Model.

Phase One: Build the Basics

Orient new managers into the 'mechanics' of their roles and ground them in business basics.

Phase Two: Set the Stage for Success

Coach managers to select employees and build effective teams.

Phase Three: Keep Teams on Course

Train managers to provide constructive feedback and to proactively manage changes.

Phase Four: Recognize, Reward, and Grow Your Employees

Prepare managers to deliver performance reviews, manage employee development, and conduct team succession planning.

HOW YOU BENEFIT:

Drawing from Intrepid's Formal-Agile-Social Learning approach, our Leadership & Management Training Solution enables you to tailor offerings to the distinct needs and learning styles of leaders at all levels of your business.

How you Benefit:

- Improve executive and manager effectiveness
- Increase productivity and retention rates
- Enhance customer satisfaction and loyalty
- Build brand strength through consistent corporate training messages
- Boost your bottom line

Your leaders should reflect your company's unique culture, values, processes, and policies. Intrepid can help.
